Spa Therapies

Therapy 'Pirin Golf & Country Club' /for him or for her/ 70 min. / 120 BGN

A delightful boutique therapy created especially for Pirin Golf & Country Club. Gentle peeling with a fragrant bouquet of mountain herbs and essential oils of oregano and thyme; nourishing mask with herbs, honey and essential oils of pine and juniper; and a relaxing massage with warm pine and thyme oils.

Therapy 'Gold and Amber' /for him or for her/ 60 min. / 85 BGN

Relaxing therapy in three steps: peeling with a natural exfoliant with salts, shea butter, amber and gold particles; mask made of Kaolin, which has the amazing ability to absorb any impurities and toxins in the skin, clarifies and smoothes the texture of the skin; a relaxing massage with amber essential oil and gold particles will pamper your senses. The scent of amber is a mix of resin, powder, jam, smoky and woody notes that will take you to Oriental sleep, and the gold particles have a rejuvenating effect on the skin and at the same time will delicately make your skin glow.

'Pearls and Musk' therapy /for him or for her/ 60 min. / 85 BGN

Relaxing therapy in three steps: peeling specially developed for delicate and delicate skin, which gently exfoliates, rejuvenates, softens and restores the natural glow and youth of the skin. He gently exfoliates and removes the top layer of dead cells, helps stimulate skin microcirculation. The mask is made of white clay, which has an incredible ability to absorb any impurities and toxins in the skin - revitalizes the skin, remineralizes, whitens dark skin spots and clarifies the complexion. Relaxing massage with oil specially developed for delicate and delicate skin. Delicate musky scent caresses the senses and removes stress, refreshes the skin and tones it with a delicate pearly sheen.

Therapy 'Orange and Cinnamon' /for him or for her/

60 min. / 85 BGN

Relaxing therapy in three steps: peeling with sea salts, shea butter and essential oils that soothe, smooth and energize the skin; mask created on the basis of white clay with added cinnamon extract and natural oils of grape seed, almond and orange. Thanks to the active ingredients and the added cinnamon and orange, the mask has anti-inflammatory and antibacterial properties, prevents the appearance of acne and skin irritations. Restores natural elasticity and tightens the skin. Leaves an irresistible scent of orange and cinnamon. Massage with aromatic oil, which intoxicates the senses with a sweet and spicy aroma of cinnamon, followed by a wave of fresh and intense warm orange

Therapy 'Only for men' /for him/

60 min. / 85 BGN

Three-step therapy, natural exfoliating body scrub specially developed with sea salts, shea butter and a combination of essential oils to soothe and energize the skin. The mask is made of kaolin or so-called white clay, which has an amazing ability to absorb any impurities and toxins in the skin. Relaxing massage with oil specially developed for men's skin.

Roman massage with honey and milk /for him or for her/

50 min. / 80 BGN

Massage with honey and milk is a ritual bequeathed to us by ancient Rome, cleanses the body of toxins and toxins. The procedure improves metabolism and increases immunity. After its completion, the skin becomes satiny soft, and you feel relaxed and full of energy.
